

## **Make Some Room**

### *Chorus*

Make some room. Ease on over. Make a way where there is no way.

Miriam playing on your tambourine.  
Singing of the wonders that she has seen.  
Teach me to dance across the desert

At the end of the first line: “Oh help me make some room”  
second line: “Oh help me ease on over”  
third line: “Help me make a way where there is no way”

Lady Wisdom of priceless worth.  
Singin’ in the heavens and dancin’ on the earth.  
Help me to be a wise, wise woman.

Anna sitting in the temple praying.  
So many years and so much waiting.  
Teach me to know salvation when I see it.

My sisters and my brothers in the name of God.  
We’re gonna build this city up block by block.  
Teach me to keep your hope before me.
