## Fools and their music are soon partied!!

The third annual "Fools of Note Concert" April 1 at Beacon Street Manor featured Maria Livers and Erika Bodnar, who make up the folk duo, Only Children (above left), as well as Barb Ballenger (above right). Also on the bill were folk singer, Paul Zaepfel, and the Occasional String Band, a bluegrass group. The Christian rock band, Prophecy, which includes Beacon Street's Jim Pipik, closed out the night.

The event allowed more than 100 friends, fans and family members to rub elbows, sing along and share in some Beacon Street hospitality!
