Hildegard of Bingen, Medieval Visionary and Prophet

These words graced a simple “thank you” note card from Kay Eaton, a volunteer at the West Side Catholic Center at West 30th and Lorain Avenue. Bob presented two programs there recently to men and women who dropped in for lunch and stayed for stories, song, raps, and drama. Hildegard would have us be ablaze rather than lax and lazy. Celebrating, serving, and filled with God. This issue will convince you we have endeavored to live up to her exhortation.
